

RFI: WAM/ADS-B SOUTH for PANSA

<https://bip.pansa.pl/rfi-wam-ads-b-south-for-pansa/>

RFI: ROM PRICE ENQUIRY „WAM/ADS-B SOUTH” for Polish Air Navigation Services Agency

PANSA is interested in purchasing Wide Area Multilateration combined with Automatic Dependent Surveillance-Broadcast system (WAM/ADS-B) with the aim to increase coverage and modernize the surveillance system. The Request for Information is preceding formal public tender procedure. The response to the RFI shall base on the general system definition and responsibilities described below. The subject of the query is rough order of magnitude only.

Contact email: wamsouth@pansa.pl

The following query is not a public tender procedure announcement, according to the Civil Code or the Public Procurement Law.
